Remanufactured Fuel Systems Warranty

Engine Power Source, Rock Hill, South Carolina warrants each remanufactured fuel system component to be free from any defects in materials and workmanship for a period of 1200 hours or one year, from the date of our original invoice, whichever shall occur first.

The obligation under this warranty is limited to repairing or replacing any remanufactured component, at the company's option, which is found to be defective to the company's satisfaction. The component must be returned, freight prepaid, to Engine Power Source.

This warranty does not cover any labor, travel time, troubleshooting, or mileage for defective component replacement.

No other Warranty is expressed or implied.
